

THE MONTH OF THE IMMACULATE HEART OF MARY

Excerpt from The Angelus Press

July-August 2013 edition by Fr. Pierre Duverger, SSPX

Devotion to the Immaculate Heart of Mary: Make our Hearts Like unto Thine

In the following pages, we will recall the most important revelation of Fatima: devotion to the Immaculate Heart of Mary and the famous request of her love, the consecration of Russia.

The Immaculate Heart of Mary: “Jesus wants to use you in order to make me known and loved. He wants to establish in the world the devotion to my Immaculate Heart. To the one who embraces it, I promise salvation. These souls will be loved by God as flowers picked by me to adorn His throne... My heart will be your refuge and the way which will lead you to God.”

Devotion to the Immaculate Heart of Mary appears to be the very core of the revelations of Fatima. In a very specific way Our Lady mentions the divine will about this devotion in the apparitions of 1917. Already in the three apparitions of 1916, the Angel introduced the children to the devotion to the Hearts of Jesus and Mary. When in Pontevedra and then in Tuy, Lucy received information on how to practice this devotion and what special requests were expected to be passed on to the Church’s authorities.

All the other themes of Fatima—the conversion of sinners by sacrifice and prayer, the rosary, and the communion of reparation, and the consecration of Russia—are tied to this central concern: to establish in the world devotion to the Immaculate Heart of Mary.

The conversion of sinners by prayer and sacrifice is the first and most known of all the messages. It would be for Jacinta, in particular, the very spring of her perfection until her abandonment in death, heroically accepted for a ten-year-old little saint. This theme has been recalled in almost all the apparitions, including those of the Angel and the subsequent ones in Pontevedra and Tuy.

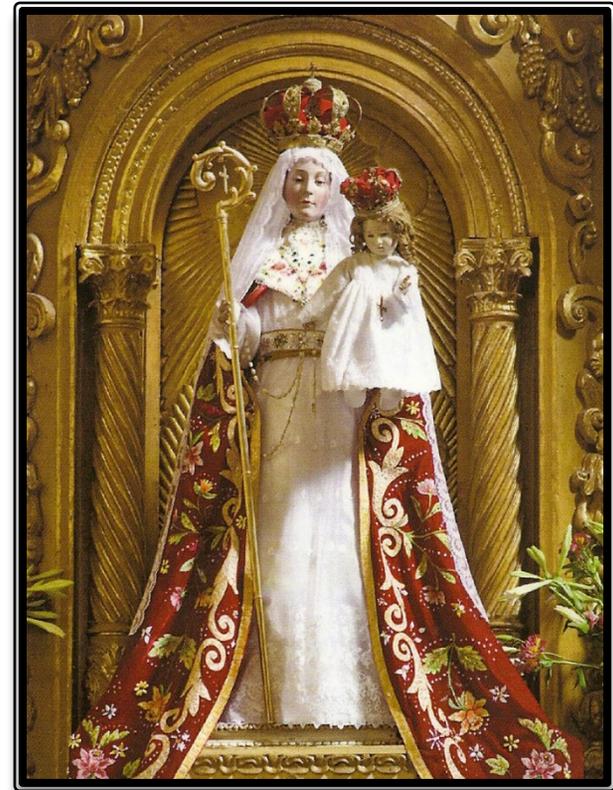

“I desire very ardently the propagation of the cult and devotion to the Immaculate Heart of Mary, because this Heart is the magnet which draws souls to Me, the fire which makes the rays of My light and My love beam out over the earth, and the inexhaustible well causing the living water of My mercy to gush over the earth.”

Communication to Sister Lucy, in Letter to Bp. Gurza—May 27, 1943
