

THE SACRED HEART OF JESUS IS A FURNACE OF LOVE FOR US IN THE BLESSED SACRAMENT

Taken from Chapter 7 of St. John Eude's work, "The Sacred Heart of Jesus"

St. Bernard appropriately refers to the Blessed Sacrament of the Eucharist as "the Love of loves". If we use the eyes of faith to contemplate the marvelous effects of the Savior's ineffable goodness to us in this adorable mystery, we shall see eight flames of love issuing continually from this wondrous furnace. [Only the first three are given here.]

The first flame is the inconceivable love of the Sacred Heart of Jesus which impelled Him to imprison Himself in this Sacrament and has constrained Him to abide there continuously night and day, for nearly two thousand years, to be always with us, so as to fulfil the promise of these words: "Behold I am with you all days, even to the consummation of the world." He is the Good Shepherd who wishes always to be with His flock. He is the divine Physician who wishes always to be at the bedside of His patients. He is the Father full of affection who never leaves His children. He is the Friend most loyal and tender, whose delight it to be with His friends: "My delights were to be with the children of men." (Prov. 8:31)

The second flame of this fiery furnace is the love of our Savior's adorable Heart vibrating in great and significant actions on our behalf in this Sacrament. He is there adoring, praising and glorifying His Father unceasingly for us, to satisfy to the full our infinite obligations of adoring, praising and glorifying. He is there continually giving thanks to the Father for all the corporal and spiritual blessings, natural and supernatural, temporal and eternal, which He has ever given to us, which He gives at each moment, and plans to give us, provided we interpose no obstacle. He is there loving His Father for us, paying to the full our debts and obligations of loving Him. He is there offering His merits to satisfy His Father's justice and to pay Him on our behalf what we owe Him by reason of our sins. He is there continually praying to His Father for all spiritual and temporal needs. "Always living to make intercession for us." (Heb. 7:25)

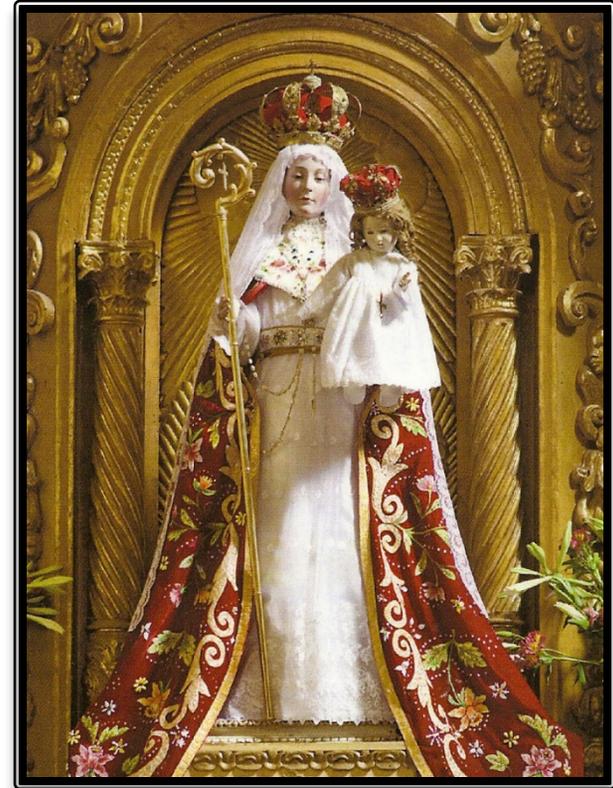

The third flame of this furnace is the infinite love of our dear Redeemer, who exercises His omnipotence so as to perform in this adorable Sacrament many stupendous miracles, changing bread into His body and wine into His blood, and performing several other wonders incomparably surpassing all those of Moses, of the prophets, and of the apostles, and even of our Savior during His sojourn on earth. All those miracles were performed only in Judea, while these take place throughout the universe. The visible miracles were transitory and of short duration; the invisible have been continuous for more than nineteen hundred years and they will endure till the end of time. The former were effected on bodies separated from their souls and then restored to life, on sick persons who were healed, on water changed to wine, but the latter are effected on the adorable body of God, on His Precious Blood, and even on the glory grandeur of His divinity, which is hidden in this Sacrament.

Heart of Jesus, burning furnace of charity, have mercy on us!
